

Reflection Starters ...

“Reflections” are part of our co-op program. They should be beneficial to you in evaluating the co-operative education experience.

<p>My accomplishments at my placement are:</p>	<p>A disappointing aspect of my placement is:</p>
<p>What I am learning about myself as a result of my work experience:</p>	<p>Working at my placement has made me realize how important school is because:</p>

You will be marked on: /10

Communication				
	50–59%	60–69%	70–79%	80–100%
Communication of information, ideas, and experiences	Communicates information, ideas, and experiences with limited clarity	Communicates information, ideas, and experiences with some clarity	Communicates information, ideas, and experiences with considerable clarity	Communicates information, ideas, and experiences with a high degree of clarity and with confidence

- Completion
